## president's corner

Dear Pilots,

I would like to say thank-you for allowing me to be President of our club for the past year. We have had a lot of experiences, and I have looked at all of them as learning experiences as well as satisfaction and why I joined Pilot. The best thing is being able to work with you and learn more about each and every one of you. Thanks also to the Board for making our club tick behind the scenes-you all are awesome!

We will be doing Strategic Planning at the June meeting, and I hope all of you will participate to make our 2007-2008 Pilot year the best ever. This is our opportunity to have input into what we will do for the next year, and it is important for you to let us know what is important to you.

I want to thank Pam Manley for getting out Deck Chatter together. Every month, my virtual friend and I email back and forth, and she has done a wonderful job making us look professional. Thanks Pam!

I also wanted to remind all of you about our membership at the Chamber of Commerce, and encourage you to take advantage of the benefits, including classes in things such as computers, as well as some of the networking opportunities.

Lastly, be sure to think about our obligation to ensure the continuity of Project Lifesaver in our community. This is a wonderful project and I feel sure we will have continued participation, if not even increased participation from our club members in the opportunities it provides.

A big THANKS to the PILOT CLUB OF TALLAHASSEE for having a successful year!

Thanks to all of you, you are a wonderful Club!

*PYVONNE SALFINGER*
