From Our President

I wanted to take a moment to thank each and every one of you for this amazing year. I appreciate that while you may not be able to attend every activity or event, you show up for what you can and contribute. We have

accomplished a plethora of amazing things this year from continuing to fit and distribute bicycle helmets across Leon County, to providing robotic pets to ALF residents, to showing appreciation for those volunteering their time to be an Honor Flight guardian, to adopting Ms. Ivery's first grade class. Thank you for giving your time and effort to Pilot over the last year. I'm excited to see what the next year holds.

In Pilot Friendship,

Mallory

Pilot International Founders Fund

The Florida District is once again a Pilot International 250 District for 2022-2023. That means all 27 of the Florida District clubs contributed a minimum of \$250 to the Pilot International's Goal for Grants and Scholarships. These contributions allow Pilot International to help others through grants for amazing projects in our communities and scholarships for students to make enduring contributions in our world.

Our 27 clubs donated a total of \$6,750.00, together the Florida District and the Florida District Clubs contributed a total of \$7,108.00.

Florida District

The Florida District Anchor Board was installed on Friday, April 14 at the Florida District Convention. They were installed at our convention because, for the third year in a row, they were not able to have their own convention, still the results of COVID. Next year, the plan is to have them have their Convention at the same time the District Pilots have theirs. Plans and coordination need to be worked out but it should be great!
