From Our President

Hello Pilots:

The Dog Days of summer are almost over according to the Old Farmer's Almanac – but unfortunately, it's still hot! The local schools are getting ready to start back up, the Anchor Clubs from Leon and Chiles will soon be getting busy, and our college students start returning mid-month. We are participating once again with Classroom Connection and should be assigned a Kindergarten class at Hartsfield Elementary. Our Laverne Weddle Pilot House residents start moving in from the 22nd to the 25th so we get to welcome them 'home' with a special delivery of breakfast items. Fun stuff coming up for sure! Hope to see you at our club meeting on the 14th.

Be happy...not because everything is good, but because you can see the good in everything.

"Strut Your Pilot Pride"

In Pilot Friendship,

Annette

Pilot Scholarship House Foundation

As you read in the Florida District mailing in July, PSHF is ready to start a new campaign – **DRESSer FOR SUCCESS** will kick off at Fall Council. Southern Scholarship Foundation has identified the need to replace the dressers at our four older Pilot scholarship houses. Julie Thompson, PSHF President asks, “As you are planning your Pilot year, we ask that you include a budget item for this campaign and Pilot Scholarship House Foundation.”

Pilot International Founders Day

On October 16, 1921 the forty Charter Members of Pilot International came together to sign the original Pilot Charter. Two days later, buoyed by their excitement and their collective cause, they gathered again to dine, celebrate and conduct the first official Pilot Club meeting on October 18, 1921. From that day on, Pilots around the world gather together to meet, celebrate and honor this historic day, October 18, as Founders Day, the

birthday of a grand idea, the day of our noble club's founding. On this day, we celebrate Pilot International. We honor the history and tradition of our storied organization, and we celebrate the gifts that we – as today's Pilots – are able to bestow through our strength, through our friendship and through our service.

Florida District

There were 33 Florida District Pilots, all five of Florida District Anchor officers and five Co-Pilots attending the 2023 Pilot International Annual Convention & Leadership Conference and Anchor Summit.
