From Our President

Hey Pilots:

What an exciting time for Pilots in the month of October! A few FYI's and ICYMI (in case you missed it) things to remember and celebrate this month: Saturday, October 7th is Pilot First

Saturday and Pilot Walk Day. I hope to see you all at Charlotte's office at 8:00 a.m. that morning as we "Strut our Pilot Pride", and walk together and show our group spirit – don't forget to wear your Pilot shirt.

Our business meeting is scheduled for Monday, October 9th at 6:00 p.m. at Momo's Pizza. Fall Council is scheduled for the weekend beginning Friday, October 13th, then on Wednesday, October 18th we celebrate Founder's Day, the day Pilot International was chartered in 1921, and Saturday, October 28th is Make a Difference Day – dedicated to making a difference wherever you can and in the lives of others. Volunteering is all about becoming the change you wish to see in the world. And lastly, Happy Halloween on October 31st!

In Pilot Friendship,

Annette

Pilot International

Mission

To influence positive change in communities throughout the world. To do this, we come together in friendship and give people an outlet for service. We focus on preparing youth and young adults for service, encouraging brain safety & health, and supporting those who care for others. Pilot International is a community-based volunteer service organization founded in 1921 in Macon, GA, on the guiding principles of "Friendship and Service." From its very beginnings, Pilot International and its clubs have been dedicated to spreading the spirit of volunteerism throughout the world.

Since its founding, members across the United States, Bahamas, Japan and South Africa help Pilot International proudly serve the varying needs of communities around the world.

Pilot recruits youth through volunteer service organizations for young people. Today's Anchor and Compass members are tomorrow's Pilots.

Vision

Pilot International envisions a world where all are valued.

Pilot Scholarship House Foundation

The Pilot Scholarship House Foundation is excited about their newest campaign - **DRESSer FOR SUCCESS**. The donor form is on their website - www.pshffl.org and has been updated to include this campaign. They also have a solicitation letter that will be available on their website that can be used to help clubs solicit funds. Those of us attending Fall Council, will hear more details about the campaign on Friday night.

Pilot International Founders Fund

Congratulations to Annarene. She was selected to be our Pilot International Club Ambassador for the 2023-2024 Pilot year. Way to go, Annarene.

Florida District

Congratulations to Jonda Erwin, Pilot Club of Titusville and Riverview Pilot Club, who has been selected to fill the office of the 2023-2024 Florida District Governor, after the passing of Governor Barbara Keck.

Just a small group of us at our September meeting.

Happy birthday, Pam

Club Happenings

We presented BrainO at St. Augustine Plantation (where the Independent Living residents played the game, and enjoyed it), The Grove at Canopy and Canterfield of Tallahassee. Anice Prosser continues to join us with our presentations - very much appreciated.

The benefits of playing BrainO with our seniors: we give them the opportunity to socialize with one another; we help improve the brain function and cognitive skills; assists them with problem solving; brings them happiness; helps them with dexterity and coordination (picking up small game pieces and moving them); lets them have fun with others; may help reduce depression. And we have fun!
