## From Our President

Hey Pilots:

It is hard to believe that this is the last month of 2023! I think we can all agree that we have had another successful Pilot year! With the excitement of helping kids through our Classroom Connection, providing free helmets and safety items at various events, to playing Brain-O at the ALF's, helping Honor Flight and our Veterans, working with our Anchors, supporting our Scholarship House residents and providing Pick-Me-Ups to those who provide a valuable service to our community, we have spread Pilot cheer all year long! Pilots, thank you all for your time and commitment to our club - you all are shining stars and you make the magic happen. Wishing you peace, joy and love this holiday season. Remember to keep our Pilot friends in your thoughts.

In Pilot Friendship,

**Annette**
