## From Our President

Hello Pilots:

Yes, it's summer, summertime is here... and it's the start of our new Pilot year!

Once again, Charlotte and Claire are on the DAC for the Florida District and

Mallory is working on an "international"

level this year with Holly, our new PI President, as her Convention Chair, and I start my second year as a Director for the PSHF. It's exciting to see our club involved in the different levels of Pilot!

Our first Pilot business meeting is scheduled for Monday, July 10<sup>th</sup>. We will review and approve our Plans of Work and the proposed budget. An email was sent out to everyone on May 14<sup>th</sup> with all the attachments – so please review.

Have a safe and happy 4<sup>th</sup> of July and I look forward to seeing you at our meeting!

In Pilot Friendship,

**Annette**

# *Pilot International Founders Fund*

Start thinking now about who would be a good candidate to be our Pilot International Ambassador. Candidates should: be active in an assigned role within the club; promote and support Pilot International and its activities; be active in a project that addresses one of Pilot International's core areas of service focus - Brain Safety & Health and/or Supporting Those Who Care for Others; and be faithful in attending meetings and give generously of his/her time to assist with service projects and fundraising activities. Once elected, we send in \$25 to PI, which needs to be postmarked by September 30th, to ensure the Ambassador's name is listed in the winter edition of the Pilot Log.

## *Florida District*

The Florida District Administrative Council was installed on Saturday, April 15 at the Florida District Convention. Pictured left to right are: Amanda Valdespino, Lt. Governor; Charlotte Edenfield, Treasurer; Claire Mikko, Secretary; Missy Ridgway, Governor Elect; and Barbara Keck, Governor. Sharon Nooney, Lt. Governor, was unable to attend Convention.

# Club Happenings

BrainO at St. Augustine Plantation and The Grove at Canopy

End of the year party with Ms. Ivery's first grade class - our **Classroom Connection** class. We gave them number/word activity coloring books, which they started working on right away. An active, busy group of kids.

# Anchors

Before the school year ended, the **Leon High School Anchors** had a card making day for teachers, making the cards during their lunch time. It was a great success. They received a lot of positive feedback from their teachers, who told them they loved their cards.

The **Chiles High School Anchors** took the time to thank their teachers with a Pick-Me-Up - letting them know how much they were appreciated.
