Membership Chair	Yvonne Salfinger
Projects/Anchors Chair	Claire Mikko

Message from our President

We have started off our year running and don't have any signs of slowing down. Our new thank you card Pick Me Up monthly project has received great response and I look forward to spreading thanks for the year to come.

Please think of individuals, organizations or other volunteers that we want to uplift and bring those up at future meetings. The goal of Pick Me Ups are to touch people, create greater visibility of Pilot International and the deserving caregivers, and help our organization grow. I look forward to working together to create and perform more Pick Me Ups throughout the year and encourage those in our community. Together we can Do More, Care More, and Be More for Tallahassee.

Mallory

"Whatever community organization, whether it's a women's organization, or fight for racial justice... you will get satisfaction out of doing something to give back to the community that you never get in any other way."

~Ruth Bader Ginsburg

Pilot Birthdays

Mallory - September 13

Kristie - September 23

Pam - September 28

Carol - September 29

Pilot Anniversaries

Jane - 43 years

Carol - 8 years

LaVerne Weddle Pilot Scholarship House

Breakfast foods were delivered to the young ladies at the LaVerne Weddle Pilot Scholarship House. This is our way of making sure they have food in the house when they arrive to start college.

Pilot International

The Pilot International Executives met in Macon, Georgia this past weekend. During the visit, the Executives along with the Headquarters' Staff carried out a service project. The books donated by Pilots during the last Convention, and used for the Installation Banquet of President Deb Hays, was the focus of the service. The books were stamped, placed in class category and put into boxes. The books were then donated to Katie Powers of Macon Book 'Em.

When did you join the Pilot Club of Tallahassee and why did you join?

I joined the Pilot Club of Tallahassee in January 2019. I had never heard of Pilot International until I started working at Southern Scholarship Foundation. I was lucky enough to get to attend Fall Council as an SSF staff in October 2018 and knew once I met all the giving, caring and amazingly fun Pilots that I wanted to be a part of it!

Where are you originally from and

where have you lived other than Tallahassee? I was born and raised in California and went to middle school, high school and college in Santa Barbara, California. I have lived all over the state of California. I spent over a year in Namibia, in southern Africa, as a Peace Corps volunteer.

What do you do for work? SSF! :)

Tell us something about your family. I am married to Jeff Teal who was born and raised in Tallahassee. I have a teenage daughter, Rita, and an almost 10 year old son, Lomax. We have an adorable 15 year old black lab that was a shelter dog and her name is Kisses.

What do you do for fun (leisure time)? I love, love, love being a Mom! I love to take pictures, photography has always been a hobby. I also love to watch football, both pro and college.

What's the best vacation you ever had? This is a tough question...I guess I would have to say my best vacation was the Spring Break that I drove my kids to Helen, Georgia. We laughed, sang loud, ate junk food, saw snow, shopped and truly enjoyed an awesome road trip and seeing somewhere new and different. We made some very lasting and fun memories on that trip!

There are various **Founders Fund Resources** to help us celebrate Pilot, receive funds and to contribute to PI:

- Contribution Form
- Emergency Response Grant
- Founders Day Proclamation
- Founders Day Program
- Heritage Garden Form
- PIFF Matching Grant Application
- Safe Harbor Disaster Relief Application
- Safe Harbor Disaster Relief Fund

Club Happenings

Yard Sale

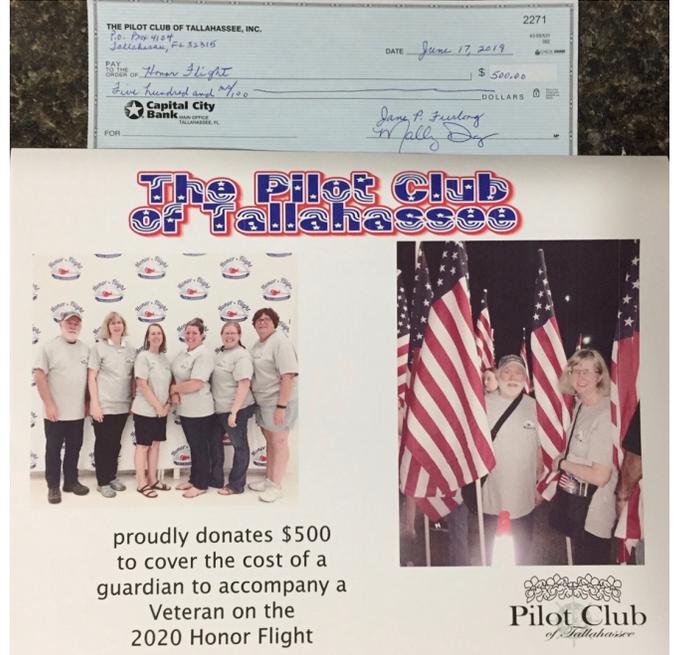

What a great way to earn money for our club and clean out our homes at the same time! On a very hot Saturday morning, we held our first of two 2019-2020 yard sales in the parking lot of Anderson & Hart. It was slow going at first but then Kristie posted signs pointing the way and we were able to sell a lot of our items. We still have items left to sell so we will be having another yard sale in January or February. Instead of bringing your items to Salvation Army, Goodwill or Lighthouse, save them for us to sell. And if they don't sell, we'll bring them to one of those places. And thank you to Claudia McCartney, Mallory's mother, who brought items for us to sell and helped during the morning.

Just a typical meeting!

Donation to Honor Flight

Chiles High School, Leon High School and Maclay School Anchor officers and Advisors attended our annual Anchor Officer training. Thanks to the Anchors and Advisors, and Pilots, who gave up a Saturday morning to help the Anchors learn more about Anchor officers responsibilities, fundraisers, projects and helping the community.
